## Charges, Voluntary Contributions & Remissions

We believe this policy relates to the following legislation:

- Education Reform Act 1988
- Education (Prescribed Public Examinations) Regulations 1989
- Education (Pupils' Attendance Records) Regulations 1991
- Education (School Sessions, Charges and Permissions Policies) (Information) (England) Regulations 1999
- Education Act 2002
- Education and Inspections Act 2006

We are aware that under the Education Reform Act 1988 and the Education Act 2002 that no charge can be made for education in school hours and that every child has the right to receive free school education.

We recognise that all activities offered during normal teaching time must be made available to all children regardless of their parents' ability or willingness to help meet the cost.

We recognise the valuable contribution that the wide range of additional activities, including clubs, educational visits and residential experiences, can make towards pupils personal and social education.

It is our intention to promote and provide such activities both as part of a broad and balanced curriculum and as additional activities.

Therefore, any activity which takes place mainly during school hours or is an essential part of the curriculum will be provided free of charge.

We are aware that we are able to ask for voluntary contributions from parents when organising educational visits which will enrich the curriculum and the educational experiences of children.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
