

Phonics Information Workshop EYFS Eltham CE Primary

ELS Essential Letters and Sounds

Getting all children to read well, quickly.

Tuesday 27th September 2022

What are we going to cover?

- What is Phonics?
- What is Essential Letters and Sounds?
- How we teach phonics
- Getting children ready to read
- Supporting your child with reading at home
- Pronouncing pure sounds
- Using the letter formations and spelling sequence to support writing at home

What is Phonics?

A method of teaching beginners to read and pronounce words by learning to associate letters or letter groups with the sounds they represent.

There are 44 main sounds in the English Language. Each sound is represented by a grapheme (the written representation of a sound).

	monophthongs				diphthongs		Phonemic	
VOWELS	i:	I	ช	u:	ΙƏ	еі		Chart voiced
	sh <u>ee</u> p	sh <u>i</u> p	<u>goo</u> d	sh <u>oo</u> t	h <u>ere</u>	w <u>ai</u> t		unvoiced
	е	ə	3:	ວ:	υə	IC	υe	
	b <u>e</u> d	teach <u>er</u>	b <u>ir</u> d	d <u>oor</u>	tourist	b <u>oy</u>	sh <u>ow</u>	
	æ	٨	a:	a	еә	aı	aʊ	
	c <u>a</u> t	<u>u</u> p	f <u>ar</u>	<u>o</u> n	h <u>air</u>	m <u>y</u>	c <u>ow</u>	
CONSONANTS	р	b	t	d	tſ	dz	k	g
	реа	<u>b</u> oat	tea	dog	<u>ch</u> eese	<u>J</u> une	<u>c</u> ar	go
	f	V	θ	ð	S	Z	ſ	3
	fly	<u>v</u> ideo	<u>th</u> ink	<u>th</u> is	<u>s</u> ee	<u>z</u> 00	<u>sh</u> all	television
	m	n	ŋ	h	Ì	r	W	j
	<u>m</u> an	now	si <u>ng</u>	<u>h</u> at	love	red	<u>w</u> et	yes

What is Phonics?

Phoneme: the smallest single identifiable sound in a word. For example, in the word 'cat' there are three phonemes c/a/t.

Grapheme: the written representation of a sound.

<u>Digraph:</u> two letters making one sound. For example, /sh/ in the word 'shop'.

<u>Trigraph:</u> three letters making one sound. For example, /igh/ in the word 'night'.

Split digraph: two vowel letters split but are split by one or more consonants. For example, /a-e/ in the word 'cake'.

What is ELS?

Essential Letters and Sounds (ELS) is our chosen phonics programme. It teaches children to read by identify the phonemes (smallest unit of sound) and graphemes (written version of the sound) within words and using these to read words.

Children experience the joy of books and language whilst rapidly acquiring the skills they need to become fluent independent readers and writers.

How do we teach phonics?

- We use a simple, consistent approach to teaching phonics.
- Your child will experience the same classroom routines within each lesson which reduces cognitive load and maximises the chances of success.
- All children are supported within the lesson to use their new phonic knowledge independently.
- In every single ELS lesson, your child will make the direct application to reading.

How do we teach phonics?

- Daily Phonics sessions- these start from the beginning of Reception
- Phonics throughout the day to review new sounds & graphemes taught
- Lots of opportunities for oral blending- c/oa/t
- Main focus is on word recognition. However, new vocabulary is also given and explained in every lesson.
- Opportunities for writing- new grapheme, words and sentences.

ELS Progression

Phase 1*	Phase 2	Phase 3**
Nursery/Pre-School Seven aspects: Environmental sounds Instrumental sounds Body percussion Rhythm and rhyme Alliteration Voice sounds Oral blending	Reception Autumn 1 Oral blending Sounding out and blending with 23 new grapheme-phoneme correspondences (GPCs) 12 new harder to read and spell (HRS) words	Reception Autumn 2, Spring 1 and Spring 2 Oral blending Sounding out and blending with 29 new GPCs 32 new HRS words Revision of Phase 2

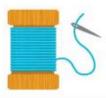

ELS Progression

Phase 4**	Phase 5 including alternatives and lesser-known GPCs	Beyond Phase 5
Reception Summer 1 Oral blending No new GPCs No new HRS words Word structures – cvcc, ccvc, ccvcc, cccvc, cccvc and Phase 2 and Phase 3	Reception Summer 2 Introduction to Phase 5 for reading 20 new GPCs 16 new HRS words Year 1 Autumn 1 and 2 Revision of previously taught Phase 5 GPCs 2 new GPCs 9 new HRS words Year 1 Spring 1 and 2 Alternative spellings for previously taught sounds 49 new GPCs 4 new HRS words Oral blending Revision of Phase 2, Phase 3 and Phase 4	Year 1 Summer, Year 2 and Key Stage 2 • With ELS, phonics teaching does not stop at the end of Year 1, but continues as children move through the school, with links being made between their GPC knowledge and spelling • Revision of all previously taught GPCs for reading and spelling • Wider reading, spelling and writing curriculum

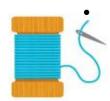

Supporting all children to read

- ► ELS is a whole class based scheme with the mission that children 'keep up not catch up.'
- ► To support this, during the independent 'workbook apply' section, children who need further consolidation work with the teacher on the carpet to reinforce the day's sound.
- ► Children who need further consolidation, still, revisit the sound again for 5 minutes each afternoon with a trained teaching assistant in a short intervention session.
- More confident readers are challenged to read demanding texts during the workbook apply section; to use new and aspirational vocabulary in context and through targeted questioning during phonic sessions as well as during 1:1 reading (Reception) and guided reading sessions (in Y1).

- Only 1 in 3 children are read a bedtime story night
- Reading a bedtime story every night to your child improves their outcomes
- If your child views themselves as a 'good reader' when they leave Primary School they are more likely to earn a higher salary in their 40s.

Children who achieve their 'Good Level of Development' in Reading at the end of EYFS are 11 times more likely to achieve standard in their Y6 Maths SATs- reading really does underpin everything!

- Children will only be reading from books which are fully decodable (except for a small number of HRS or topic/story words (these are listed on the inside front cover)
- We only use pure sounds when decoding word (no uuhh sound at the end)
- ▶ We will be changing books weekly. This is a change for those of you with older siblings but this is due to updated research around memory and retrieval which supports this approach.
 - We want them to practise reading their book 4 times across the week working on these skills:

decode fluency expression

We want children to create a strong orthographic map. This means that they learn sounds spelt by the letters or groups of letters in each word.

To read fluently, or well, we need a strong orthographic map.

To consistently recognise that the <ea> in bread spells /e/ we need to read it at least 4 times. This means we need to read the word many times to build fluency for reading.

- Day 1: Focus on decoding and blending- can use robot arms and blending hands
- Day 2- Decoding with increased fluency, building orthographic map
- Day 3- Reading with fluency and introducing expression, continuing to build orthographic map
- ▶ Day 4- Fluent reading with expression. Opportunity to ask simple comprehension questions.

Your child will also bring home a 'reading for pleasure' book from school to share which you can read to them-this supports children's enjoyment of reading and exposes them to new vocabulary. Do of course supplement with bed time stories which you read to the children and audio stories through the week. The Eltham Centre Library is free to join.

Pronouncing pure sounds

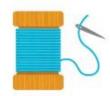

We must use pure sounds when we are pronouncing the sounds and supporting children in reading words.

If we mispronounce these sounds we will make reading harder for our children.

There are videos for this on our school website where you can hear the correct pronunciation of the sounds.

About the book

This book explains how a lemon grows, as a tiny alien character plants a pip and watches it grow into a lemon tree.

Text types

explanation; narrative

Topics

plants; lifecycles

Subject

Understanding the world

Before reading

Talk together

Look at the cover. Ask: Do you know what lemons taste like?

Topic words

These words may be challenging to read but they are important for the topic. Read them together and talk about what they mean.

water – to add water to a seed or plant to help it grow (p6. 8)

shoot – the part of a plant that can be seen above ground when it starts to grow (p7)

roots – the parts of a plant that are under the ground (p7, 8)

During reading

If your child has difficulty with a particular word while reading the book:

- break it down into sections, help them to sound it out and blend the sounds together, e.g. p-o-t
- · tell them the whole word if necessary.

Tricky words

These words are common but your child might find them difficult to read:

I, to, the, no, go

Eltham Church of England School Roper Street, London SE9 1TR Tel: 020 8850 1528 3ao1@elthamce.greenwich.sch.uk www.elthamcoeschool.co.uk

You can use the spelling sequence with your children at home to support them with their writing.

Let's try this with the word: rain

We also practise saying our sentences before we write them to make sure we write the sentence we have planned and to ensure it makes sense!

Key teaching features Encourage children to follow the sequence: Say the word Stretch the word · Segment the word Spelling sequence Blend the word · Count the sounds within the word · Say the whole word This sequence can be used for any word where the children have been taught the GPCs within the word.
