## Get On Your Feet

You say I know it's a waste of time  
There's no use trying  
So scared that life's gonna pass you by  
Your spirit dying  
Not long ago I could feel your strength  
And your devotion  
What was so clear is now overcast  
With mixed emotions

Deep in your heart is the answer  
Find it, I know it'll pull you through

Get on your feet  
Get up and make it happen  
Get on your feet  
Stand up and take some action

I think it's true  
That we've all been through some nasty weather  
Let's understand that we're here  
To handle things together

You gotta keep looking onto tomorrow  
There's so much in life that's meant for you

Get on your feet  
Get up and make it happen  
Get on your feet  
Stand up and take some action  
Get on your feet  
Don't stop before it's over  
Get on your feet  
The weight is off your shoulder

Get up and make it happen  
Stand up, stand up, stand up and take some action  
Gotta get on your feet, yeah, yeah  
Don't stop before it's over  
Get on your feet  
The weight is off your shoulder

Get on your feet  
Get up and make it happen  
Get on your feet  
Stand up and take some action  
Get on your feet  
Don't stop before it's over  
Get on your feet  
The weight is off your shoulder

Get on your feet!

## Keep On Movin'

I woke up today with this feeling.  
That better things are coming my way.  
And if the sunshine has a meaning,  
Telling me not to let things get in my way

When the rainy days are dyin'  
Gotta keep on, keep on tryin'  
All the bees and birds are flyin'  
Never let go gotta hold on and  
Non stop 'til the break of dawn and  
Keep moving, don't stop rockin'

Get on up when you're down, baby,  
Take a good look around.  
I know it's not much, but it's okay.  
We'll keep on movin' on anyway

Feels like I have should be screaming,  
Try'na get through to my friends.  
Sometimes it feels that life has no meaning,  
But I know things will be alright in the end.

When the rainy days are dyin'  
Gotta keep on, keep on tryin'  
All the bees and birds are flyin'  
Never let go gotta hold on and  
Non stop 'til the break of dawn and  
Keep moving, don't stop rockin'

Get on up When you're down, baby,  
Take a good look around.  
I know it's not much, But it's okay.  
We'll keep on movin' on anyway

When the rainy days are dyin'  
Gotta keep on, keep on tryin'  
All the bees and birds are flyin'  
Never let go gotta hold on and  
Non stop 'til the break of dawn and  
Keep moving, don't stop rockin'

Get on up When you're down, baby,  
Take a good look around.  
I know it's not much, But it's okay.  
We'll keep on movin' on anyway

Get on up When you're down, baby,  
Take a good look around.  
I know it's not much, But it's okay.  
We'll keep on movin' on anyway

Get on up When you're down, baby,  
Take a good look around.  
I know it's not much, But it's okay.  
We'll keep on movin' on anyway

Get on up When you're down, baby,

Keep on movin'

## Somewhere Only We Know

I walked across an empty land  
I knew the pathway like the back of my hand  
I felt the earth beneath my feet  
Sat by the river and it made me complete

Oh simple thing  
Where have you gone?...  
So tell me when  
You're gonna let me in...

I came across a fallen tree  
I felt the branches of it looking at me  
Is this the place we used to love?  
Is this the place that I've been dreaming of?

Oh simple thing  
Where have you gone?...  
So tell me when  
You're gonna let me in...

And if you have a minute why don't we go  
Talk about it somewhere only we know  
This could be the end of everything  
So why don't we go  
Somewhere only we know  
Somewhere only we know

Oh simple thing  
Where have you gone?...  
So tell me when  
You're gonna let me in...

And if you have a minute why don't we go  
Talk about it somewhere only we know  
This could be the end of everything  
So why don't we go  
So why don't we go

Ooo... Ah...  
Oh...

This could be the end of everything  
So why don't we go  
Somewhere only we know  
Somewhere only we know  
Somewhere only we know

## A Brand New Day (Everybody Rejoice)

Everybody look around  
'Cause there's a reason to rejoice you see  
Everybody come out  
And let's commence to singing joyfully  
Everybody look up  
And feel the hope that we've been waiting on  
Everybody's glad  
Because our silent fear and dread is gone

Freedom, you see,  
Has got our hearts singing so joyfully  
Just look about,  
You owe it to yourself to check it out

Can't you feel a brand new day?  
Can't you feel a brand new day?  
Can't you feel a brand new day?  
Can't you feel a brand new day?

Woo!  
Yeah!  
Woo!  
C'mon!

Everybody be glad  
Because the sun is shining just for us  
Everybody wake up  
Into the morning into happiness  
Hello world!  
It's like a different way of living now  
Thank you world!  
We always knew that we'd be free somehow

In harmony,  
Let's show the world that we've got liberty  
It's such a change,

For us to live so independently  
Freedom, you see,  
Has got our hearts singing so joyfully  
Just look about,  
You owe it to yourself to check it out

Can't you feel a brand new day?  
Can't you feel a brand new day?

Everybody be glad  
Because the sun is shining just for us  
Everybody wake up  
Into the morning into happiness
